22 JUL 1959

25X1

✓ 7. Talked with Charles Johnson on the staff of the House Post Office and Civil Service Committee concerning S. 2162, the Health Insurance Bill. Johnson indicated that they were "open-minded" concerning our problems and would do whatever they could to assist us. He said he planned to take the matter up with Chairman Murray. He assumes that NSA, the FBI, and others might request similar treatment.
